UMAP Multilateral
Student Exchange
Program

UME

UME-UMAP Multilateral Student Exchange Program—is a student exchange program among UMAP member countries/territories based on the special agreement for multilateral exchange between each participating universities. UME is coordinated by UMAP International Secretariat (UMAP IS) with Member Secretariat and their participating universities. Tuition fee of exchange students will be waived, and cost of accommodation encouraged as well.

The university participating in UME will need to agree to send and receive 2 exchange students based on reciprocity with universities from other member country/territory, but not emphasizing on spontaneous time or direct exchange.

Courses in UME are degree courses in undergraduate or postgraduate level, UME provides "Standard UMAP Application Form & UCTS (UMAP Credit Transfer System)", creates a convenient platform for student's application and provides detailed information. Credits for subjects both in home and host universities will be calculated by using UCTS online, and the transferred back to students' home universities.

UBE-Bilateral Student Exchange Program—is a value-added student exchange program for universities that are also participating in UME. UBE welcome students of all universities all over the globe to join--thus becoming sister schools. Issues of tuition fee to be waived or non-waived will depend between the MOU representing each universities.

UBE provides "Standard UMAP Application Form & UCTS" as well. Conditions on tuition fee (waived or non-waived) depend between the MOU representing each university.

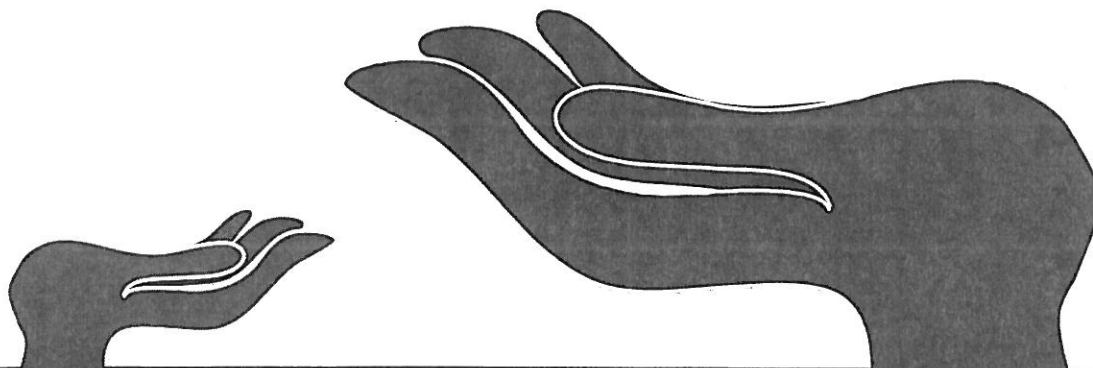

Courses in UBE are leveled at undergrate and postgraduate. UCTS credit conversion for subjects studied at host universities is encouraged for transfer to students' home universities.

USC

USC—UMAP Student Exchange on Special Courses—also known as Super Short Term Program (SSTP), is a value-added language/culture/area studies in any subject fields, designed and promoted through UMAP. Participating universities could decide on the duration of the program, ranging from 2~8 weeks during summer breaks.

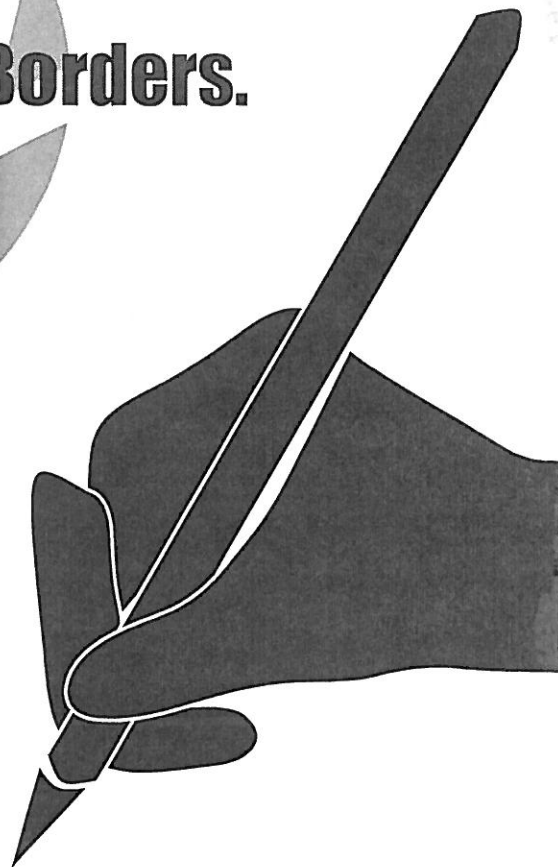

UBE provides "Standard UMAP Application Form & UCTS" as well. Conditions on tuition fee (waived or non-waived) depend between the MOU representing each university. Home and host universities could agree upon waived tuition or charge from students.

Courses in USC are short courses, which credits are optional. If there are credits, UCTS could also be used to transfer those credits back to home universities.
