Welcome Letter

Dear Delegates of PMUN 2016

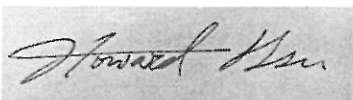

Welcome to the 2nd session of Phoenix Model United Nations! We are delighted to welcome you to the most attractive ancient capital city of Taiwan to join this international event. Since its conception in 2016, PMUN has grown tremendously and has been innovating to bring you the best MUN experience in the world! This time, we will hold the Phoenix Model United Nations from 26th to 29th February on National Cheng Kung University campus.

As the most important part of the event, the committees of PMUN 2016 will offer all delegates a chance to back to the past or cross to the future. We hope that everyone can change the world not only for the near-coming future but also the human history! However, change the human history is totally not enough. What we expect is that the coming delegates can even predict the things happening in the further future and try to solve the possible problems. Thus, I can firmly claim that these unique committees can give you absolutely different experiences!

As the great 19th Writer Orison Marden said, "We lift ourselves by our thought. We climb upon our vision of ourselves. If you want to enlarge your life, you must first enlarge your thought of it and of yourself. Hold the ideal of yourself as you long to be, always everywhere." I am looking forward to your delivering opinions during PMUN 2016 so that more thought may be evoked between all delegates and may enlarge our thought.

To this end, I would like to heartily extend an invitation to join us! If you have any questions or concerns, please feel free to email us (phoenixmun2016@gmail.com). Thank you very much for your interest in the Phoenix Model United Nations 2016 , and I hope to see you for an exciting four days on February 2016!

Sincerely,

Howard Hsu
Secretary General
