

2019 Theory and Technique Taiwan Forum on Sustainable Environment (2019 T&T TFOSE)

Organizers : Taiwan Association for Aerosol Research

Chia Nan University of Pharmacy & Science

National Pingtung University of Science and Technology

Co-organizers: PM_{2.5} Control Association

**Research Consortium for Monitoring and Control Technologies
of PM_{2.5} and Nanoparticles**

International Symposium Project

i. Event name:

2019 Theory and Technique Taiwan Forum on Sustainable Environment (2019 T&T TFOSE)

Conference date:

April 02, 2019 9:00 a.m. to 5:00 p.m.

ii. Objectives:

This forum will showcase environmental research of Southeast Asian students via keynote speeches, paper presentation, and posters. It will also promote job opportunities to help young researchers establish their future career plan in Taiwan.

The Secretariat will encourage the students to present pollutions and control techniques in southeast countries.

iii. Activities:

2019 T&T TFOSE serves as a platform for researchers and students to present their latest studies and innovations in the field of Environmental Research. With the participation of ASEAN countries other than Taiwan such as India, Pakistan, Bangladesh, Nepal, Srilanka, Bhutan, Australia and New Zealand, it will open more research collaboration opportunities and build international rapport. Meanwhile, a job fair will be held during the conference, giving students from different countries the opportunity for internship and occupation in environmental science - related fields and companies. Most importantly, the aim of this conference is to further strengthen economic ties between Taiwan and other nations to create new value going forward.

iv. The conference is focused on the following topics:

1. Environmental science and technology including air, water, waste, and soil
2. Environmental material science
3. New or green energy
4. Recycling of agricultural waste
5. New techniques applied in environment
6. Environmental education

****SCI articles, scientific reports, preliminary results, and proposals will be appreciated. The Secretariat will encourage the students to present pollution in southeast countries.**

v. Congress Venue:

B424, Hong-Yu Technology Researcher Building, National Taipei University of Technology

vi. Seminar agenda:

Schedule	Session	note
8:30-9:00	Registration	
9:00-9:30	Opening	
9:30-9:45	Invitation scholar	Undecided
9:45-10:00	Invitation CEO	Undecided
10:00-10:15	Coffee break	
10:15-12:00	Sustainable Environment	
12:00-13:00	Lunch Time	
13:00-14:00	Poster session	
14:00-15:10	Meeting with the Companies1	Southeast Asian students meet with manufacturers
15:10-15:30	Coffee break	
15:30-17:00	Meeting with the Companies2	Southeast Asian students meet with manufacturers
18:00-21:00	Banquet
