

Call for Papers

2017 Language and Language Teaching Conference

The 2017 Language and Language Teaching Conference (LLTC) will be held at National Pingtung University of Science and Technology. As with previous conferences, the 2017 LLTC aims to promote academic areas regarding language teaching, applied linguistic studies, and language and communication research. It provides a platform for academic discussions related to the topics and issues as specified below. While the conference will focus on these areas, proposals on all aspects related to teaching and learning in the language classroom are also welcome. Scholars, experts, and postgraduate students are invited to participate and present papers at the conference on December 1, 2017.

Topics covered include but are not limited to:

Language teaching:

- Curriculum and instruction design
- Teaching methods and learning strategies
- Electronic/Online teaching and learning
- Materials design and development
- Testing and assessment
- Language education policy
