1. 計畫緣起 About the Program

為促進館校交流、培養年輕學子的國際視野，並積極推廣博物館相關展覽及運作，招募對博物館導覽活動有興趣的大專院校學生，透過完整英語導覽培訓計畫，提供年輕學子更多元的志願服務及國際交流機會，培養博物館新秀，並期透過本計畫提供日益增加之國際觀眾更完善的語言服務與友善的參觀環境。

In view of the increasing international visitors and migrant workers in Taipei, and the need of promoting the history of urban heritages, the Museum aims to offer a more diversified language service with two existing projects, the “New Immigration Ambassador Plan” and the “International Docent Training Program”. The former emphasizes on the cultural equity and diversity in Taiwan; the latter intends to offer international audience a more thorough introduction about National Taiwan Museum and the history of Taipei City. Meanwhile, the 2018 International Docent Training Program is designed for high school and college students with exceptional English speaking ability to fulfill their enthusiasm for public service, international exchange, and promoting Taiwan.
